

# *Welcome to Loving Waters*

*Together we love, honor and celebrate what is most sacred,  
in gratitude for the Source of Life itself  
~ Our Living Water and Beloved Mother Earth ~*

## Ways to use the Water First Pledge:

1. Download from our website, print it and share with others.
2. Post where you and your friends can see it and be inspired.
3. Read it out loud as an invocation in meditations or meetings.
4. Create a Water Blessing in your own Watershed inviting children & community groups to read the pledge together.
