Water Blessing Song

Uchu no mugen no chikara ga kori kotte

Makoto no daiwa no miyo ga nari nata

We pray for healing blessings on the waters

We pray for healing blessings on the sea

We pray for healing blessings on the rivers

That they may shine in crystal purity

Translation: The Eternal power of the Universe has gathered itself to create the world with true and grand harmony

We pray for healing blessings on the waters

We pray for healing blessings on the sea

We pray for healing blessings on the rivers

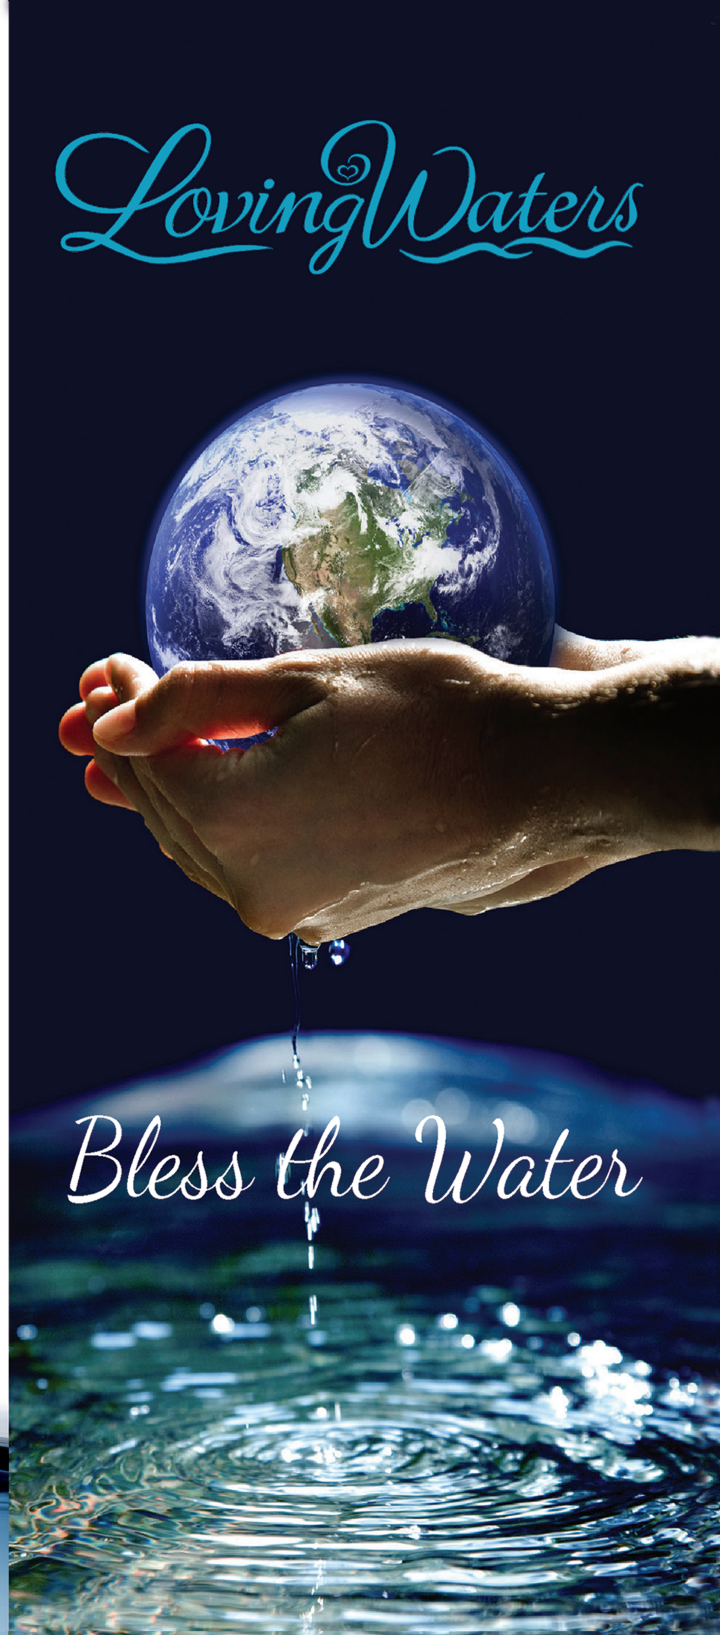

That they may shine in crystal purity/flow in perfect harmony.

"A song for the healing of the planetary Waters... this Japanese mantra 'The Grand Invocation' is promoted by Masaru Emoto for World Peace. Such is its power, it was used to successfully purify a polluted lake near Fukushima. It was a great honour for Masaru to have happily discovered and shared this song before he passed."
